OBJECTIVE

Seeking an internship opportunity in Computer Engineering to apply my knowledge in systems development, automation, and customized solutions. Eager to learn and optimize processes through technology, aiming to contribute to team growth and innovation.

TECHNICAL SKILLS

- **Programming Languages:** Python, JavaScript, Java, PHP, SQL
- **Web Development:** HTML, CSS, React, JavaScript
- **Automation:** Python Scripting, Process Automation, Selenium
- **Databases:** MySQL, PostgreSQL
- **Operating Systems:** Linux, Windows
- **Hardware Maintenance:** Diagnostics, Repair, PC Assembly, Performance Optimization
- **Software Maintenance:** Windows OS Installation/Configuration, Virus/Malware Removal, Data Recovery, System Optimization

PROFESSIONAL EXPERIENCE

PYTHON DEVELOPER - AUTOMATION | December 2025 – March 2026

- Developed a video production automation project, converting scripts into final publish-ready content.
- Integrated voice generation, media selection, text synchronization, scene assembly, subtitling, and rendering.
- Optimized the process to scale volume and reduce manual editing time/cost, utilizing Python.

FREELANCER - FULLSTACK DEVELOPER | November 2024 – Present

- Specialized in creating websites and web systems using JavaScript, Java, PHP, and SQL.
- Developed customized solutions (front-end and back-end) for various clients.
- Ensured quality and met client-specific needs across all projects. Online portfolio available.

FREELANCER - COMPUTER MAINTENANCE | [2020 - Present]

- Performed hardware and software diagnostics, maintenance, and repair for clients.
- Specialized in Windows/Linux operating system installation, configuration, and optimization.
- Provided technical support, virus removal, and data recovery services.

EDUCATION

BACHELOR OF COMPUTER ENGINEERING | 2023.2 – Present

Universidade da Integração Internacional da Lusofonia Afro-Brasileira - Acarape, CE, Brazil

- Currently in the 5th semester.

TECHNICAL QUALIFICATION IN CHEMISTRY | 2016 – 2018

EEEP José Ivanilton Nocrato - Guaiúba, CE, Brazil
